WELCOME TO BROOKLYN

Craft Burgers & Cocktails

Dear Guests,

„Count Memories Not Calories" thats our motto. Time to enjoy life to the max - especially in these times!!! :-)

All fresh since 2013 BBB Style - here in the center of Hamburg. For already **more than 12 years** we are serving you Burgers with best cheeses, the freshest ingredients, and local, frisian beef, minced daily fresh - always without preservatives, flavor enhancers etc. Relishes, sauces and dips are produced and bottled with our home recipes. Same goes for our regularly changing cocktail-menu.
A lot of effort, which delivers great taste - as you will hopefully also recognize.

Unless otherwise ordered, we grill all the burgers **medium.** You can also get most of the burgers as a **vegetarian** version with organic-patty and! also we offer **vegan** Burgers. Check the menu. :-)

In addition to the burger-offer, we're doing what we've done in the former Streits Lounge since 2003: carefully prepared drinks - classic and reinterpreted, remixed with devotion. Again, we only work with the best ingredients behind the barboard.

This combination is the merging rsesult of our awesome NYC tours and what we have always loved - good food and good drinks. There is so much to discover and try ... Let's go!

TIP: **BBB is now opened on Fridays from 3 pm & Saturdays from 12pm - open end!** Sundays we are now already opened from 3pm. :-)

And never forget: "No Sleep Till Brooklyn"!
Sincerely, Jan, Steffen & your BBB team

With full loading and a lot of simultaneous orders, it can unfortunately take 45-60 minutes to prepare your homemade burgers - made with love.
The kitchen is small but fine. Thank you for your patience! ♥

Feel free to ask our service staff so that you can get an approximate estimate.

All prices are in € and include VAT. Tip is not included - thank you! :-)

BEER OF THE MONTH

„DRUNKEN SAILOR“

IPA/ 0,33l/ Can/ 6,2

Towering waves and lashing winds. Such was the life of English sailors tasked with carrying beer all the way to the Indian colonies. Only generous amounts of hops and a high alcohol content could preserve it throughout the perilous voyage. Drunken Sailor IPA brings that spirit of adventure and its bold, powerful flavour into the 21st century!

We love it!
